Myriam and Hervé Cordilhac

“

Donkeys rental

Myriam and Hervé breed semi-free range donkeys in the heart of the garrigue. Rides and workshops will make you discover the real character of this fundamental eco-actor that maintains sensitive areas for the common good.

Their commitments

Propose accessible activities for people with disabilities
Participate in the annual cleanup of the Gardon River
Install biodiversity refuges and birdhouses
Use organic or eco-labelled products only
Create an educational garden
